Custom Coupons

ABC Fundraising® understands that some of the coupons in your sample booklet may not be found in your area. If you would like to change your coupon sheet, please follow the directions below. It's as easy as ABC!

Option (Doubling Up):

You may choose to double or triple any of the coupons provided in your sample booklet and remove the coupons that do not work in your area.

Option (Local Merchants):

If you would like to substitute local merchants for any of the coupons in your sample – It's as easy as ABC!

A. Bring your sample booklet along with the local merchant agreement (on the back of this page) to the local merchant(s) of your choosing. Ask for the owner or manager of the store.

B. Explain who you are and why you are raising money. Show the merchant the sample booklet or flyer and ask him/her to help your organization by providing a coupon offer that can replace one of the National Sponsor's coupons. (Since the local merchant is not charged for his or her participation and receives FREE advertising through your fundraiser, almost anyone you ask will be happy to give you a coupon offer.)

C. Fill out the Local Merchant Agreement. When you call ABC Fundraising® to place your order you will be asked to fax the Local Merchant Agreement(s) and we will begin printing the coupon(s) for your fundraiser. You should have your booklets approximately one week later.

Option (Add On Coupons): You May Add Any of These Coupons – They Work In Every State!
